

January News

January 7th, 2019

Mrs. Reed and Mrs. Brunner's Class
reedbj@mukilteo.wednet.edu

This week's sight words: been, called, who, am, it's, now
Vocab Words: frigid, pile, firm, adventure

Events

January 21st No School
(MLK Day)

Reminders

Thank you for all of the wonderful holiday gifts. I am blessed to be your child's teacher.

We are low on snacks and napkins. If you would like to donate an item please have your child bring it in with them.

Learning Focus

Reading

This week we will read a story called *The Extraordinary Egg*. Students will retell the sequence of events in a story. They will also work on *wondering* to help them understand a story.

Writing

We are starting unit 3 of our writing curriculum which has student focus on **telling more** in their stories.

Science

Our Air and Weather science kits have arrived! This week students will explore air and discover that air occupies space and that it can be compressed.

Math

We will be starting unit 4 and students will begin learning how to recognize teen numbers as a group of ten and extra ones.
