PARENT INTIAL	SUMMER PROGRAM ACTIVITY

**Assumption of Risk and Use of Equipment Release**

As a parent/guardian of the student-athlete who is planning to participate in the summer activities initialed previously, I hereby acknowledge that I have read, understood and agree to the following:

1. I acknowledge that the sport listed above entails many risks of injury, even when played in an instructional/clinical environment. These risks of injury include, but are not limited to, death, serious neck and/or spinal injuries which may result in complete or partial paralysis, brain damage, serious injury to virtual all internal organs, bones, joints, ligaments, muscles, tendons and other aspects of the muscular skeletal system and serious injury or impairment to other aspects of the body, general health and well-being.
2. I further certify that my student-athlete has no medical or physical conditions which could interfere with their safety in this activity or else I am willing to assume and bear the costs of all risks that may be created, directly or indirectly, by and such condition.
3. I acknowledge that I have read and understand the sport specific guidelines as it pertains to this activity. (<https://www.mukilteoschools.org/Page/460>).

4. Use of Equipment (Football Only) – I acknowledge my understanding that a district-owned football helmet and/or set of pads may be used during summer activities if it is currently certified for interscholastic use (meets NOCSAE safety standard), if it has been currently fitted by a district-hired football coach, if it is part of the current helmet inventory for my student-athletes high school, if it is used only by my student-athlete, if it is used solely during designated summer activities, if it is returned directly to the district hired coach after the summer activity and if I agree to pay the replacement cost (current market value) prior to the start of the next fall football season for any lost or damaged equipment.
5. I understand that the most important function of the football helmet is to provide the maximum possible protection for the player's head by dissipating and/or absorbing impacts produced by blows upon the player's helmet. Two things must be noted:
  - a. The full potential of protection offered by the helmet can only be realized if the helmet is properly fitted to the individual player's head.
  - b. There are no football helmets available now nor in the foreseeable future, from any source, which would be 100% safe under all potential conditions that occur in practice and game play.
6. I am fully aware of the special dangers and risks inherent in participating in on or off campus summer activities in the sport listed previously, including physical injury or death. Being fully aware of the risks, I hereby give permission for my student-athlete to participate in the activities initialed on page one (1) of this document and taking place during the summer

#### **COVID-19 Notification**

The novel coronavirus ("COVID-19") has been classified by the World Health Organization as a global pandemic and has spread across the state of Washington. COVID-19 is a new disease and the state of scientific and medical knowledge regarding COVID-19 is limited and evolving. There remain unknowns regarding how the disease is spread and contracted and there is currently no known treatment, cure, or vaccine for COVID-19. COVID-19 is reported to be highly contagious and spread easily from person to person. **COVID-19 may result in serious illness, debilitating injury, or death.** Older adults and people of any age, including children, who have serious underlying medical conditions might be at higher risk for severe illness or death from COVID-19.

Mukilteo School District has put in place measures to reduce the spread of COVID-19. However, notwithstanding any such efforts, it is simply not possible to guarantee that COVID-19 is not present nor to prevent your student athlete becoming exposed to, contracting, or spreading COVID-19 by attending or participating in any Mukilteo School District sports/activities, you and your child are exposed to the risk of contracting or spreading COVID-19. By participating in certain activities associated with greater rates of disease transmission, you and your child are exposed to a high risk of contracting or spreading COVID-19. Activities that may pose a high risk for COVID-19 include (but are not limited to): group transportation, singing, choir, exercise, athletics, any activity where people are closer than 6 feet apart, any large gathering of people indoors.

#### **ASSUMPTION OF RISK, WAIVER OF LIABILITY, HOLD HARMLESS AGREEMENT**

**Assumption of Risk for COVID-19:** I understand that my child's participation in this Activity is voluntary and is not required. By signing below, I acknowledge that I have carefully read the above; understand the risks of COVID-19 associated with entering District premises or facilities and/or participating in this Activity. I voluntarily assume such risks, including the risk of serious illness, debilitating injury, or death to my child and myself. By signing below, I further acknowledge that I understand that the risk of

exposure to, contracting, or spreading COVID-19 may result from the acts, omissions, or negligence of myself and others, including but not limited to the District employees, agents, representatives, volunteers; other students, program participants, and their families; and/or other individuals who may be present in school facilities or in attendance at any school activity. I knowingly assume such risks, including the risk of serious illness, debilitating injury, or death to my child and myself.

**Waiver of Liability/Hold Harmless:** By signing below, and inconsideration for providing my child the opportunity to participate in the Activity, I voluntarily agree to waive and discharge any and all claims against the District related to or arising out of COVID-19, and voluntarily release the District from liability for any exposure to or illness or injury from COVID-19, including claims for negligent actions of the District or its employees, agents, representatives, and volunteers related to or arising out of COVID-19, on behalf of myself and my child to the fullest extent allowed by law. By signing below, and inconsideration for providing my child the opportunity to participate in the Activity, I agree to release, discharge, and hold harmless the District and its employees, agents, volunteers, and representatives from all liability, claims, causes of action, or demands, including attorney fees, fines, fees, or other costs (e.g., medical costs) arising out of any exposure to or illness or injury from COVID-19
