Family Income Survey

Dear Parent/Guardian,

We are asking that you fill out the attached Family Income Survey because of your student's participation in the Community Eligibility free meal program at their school.

This Family Income Survey provides your student's school a way to collect household income information. This information makes sure your student's school receives the full amount of federal and state funding and makes sure your student receives services they are entitled to when free/reduced price applications are not collected.

Please complete this survey for each of your students in the Mukilteo School District as soon as possible.

Thank you for your important participation.
