

Winter Reading Challenge

Here's a fun way to meet your reading goal over the holiday break.

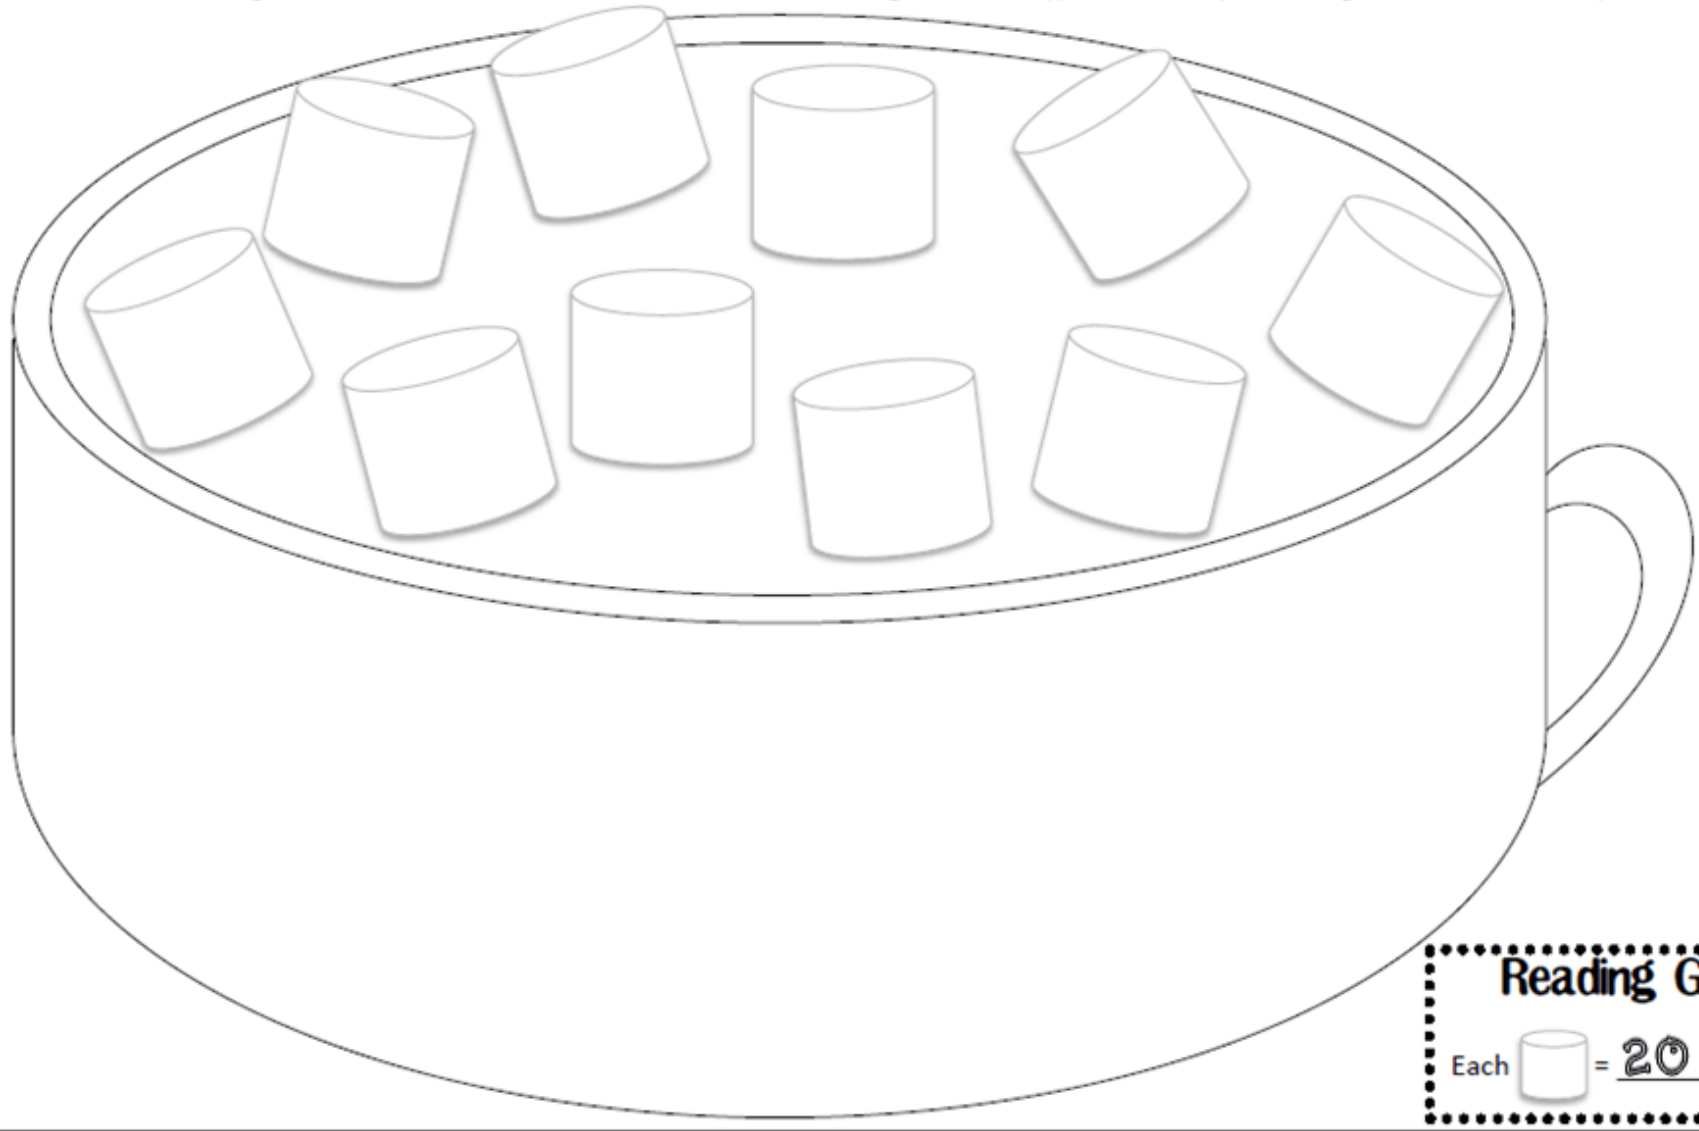

1. Choose at least 10 of the marshmallow challenges. (You can also write your own challenge on the blank marshmallows).
2. When you complete each challenge, glue the reading challenge on one of the marshmallows on the mug.
3. Decorate your mug so we can hang it up to decorate our walls in January. (Wow your classmates with your artistry and creativity!)
4. Completed mugs come back to school no later than **Friday, January 8.**

Extra Challenge: Invite your family to complete the reading challenge with you! You can draw family members their own mugs or I'll post the challenge on our website so you can download a copy for each family member! Who can collect the most reading challenge members? Will it be you???
