We Want to Feel: **Calm, Enthusiastic, Happy, Proud, & Safe**

In order to feel:

**Calm** - we will take breaks, exercise, take deep breaths, and drink water.

**Enthusiastic** - we will try to find the positive in everything.

**Happy** - we will say nice things and give “bucket fillers.”

**Proud** - we will work first, then play, be on time for our Zooms and get all our work done and try our best.

**Safe** - we will keep our private information safe online, keep our bodies safe, and take a break before speaking (if we're angry).

# Attendance – what to do if...

- + My child is sick – call the office to let us know ASAP. Do not send your child to school if they are sick
- + They need to leave early – send a note with your student in the morning and call us when you arrive. The office will notify the teacher once you have arrived.
- + They are late – we want your student to come to school even if they are late. When you arrive, please call the office and let us know you are here. We will then support getting your child to class.

# Attendance expectations

- + When your child is sick, they need to stay home.
- + If they are not sick, they need to attend school.
- + Any student who misses more than 10% of the school year due to absences is considered chronic. Chronic absences often lead to student struggling both academically and socially at school.
- + We will be tracking attendance daily; you will be notified if your child has an unexcused absence or if they are at the 10% threshold.
- + Vacations must be pre-arranged and only the first 5 days can be excused at the principal's discretion.
