## Camp Starts Next Week!

Starting next week our classroom will be become "First Grade Camp". We will learn some camp songs, play team building games, build vocabulary around camp and summer themes, learn about insects and read *Enemy Pie*. Also, please remember to send in flashlights for students to use next week! (And please write the student's name on it.)

## Zoo Trip Success!

We had a great time at the zoo on Thursday. A HUGE thank you to all the parents that came to help out. We couldn't have done it without you!

## Final AR Points

On Monday, June 6 I need to report final AR points. If students have reached the level for a medallion or a pizza party I will send a note home to invite parents to the assembly on Friday, June 10.

All students should be proud of the reading growth this year. Not all students choose to focus on AR points, but all students worked hard to improve their skills. I'm proud of them!

## Dates to know about:

*Library Day-* **Tuesday, June 7**

*Mr. Kaas Food Drive-* **May 31-June 10**

*Final AR Points Due Date-* **Monday, June 6**

## Last Homework for the Year

This last math practice page is the final homework of the year. IXL is still available for practice and will be available for the summer.

The last week of school I will send home a summer packet with ideas of things to do and work on over the summer. **The most important thing is to keep students reading!**
