Principal's Message

As we celebrate Mariner's 50th anniversary this year, we also welcome the largest MHS student population to date with close to 2,500 students! In addition, we have 18 new teachers and several additional new staff members. It's been a busy start of the year, but a good one! Even though our hallways are full, the students have been caring and respectful. Two-way communication is essential to have the best school experience. We hope that you regularly check your child's grades and connect with teachers to ensure success. If you haven't already done so, please sign up for *Family Access* on the Mariner HS website. Please don't hesitate to contact us if you have any questions or concerns. We hope you enjoy the new format of the monthly "Marauder Family Connect" newsletter.

Go Marauders!

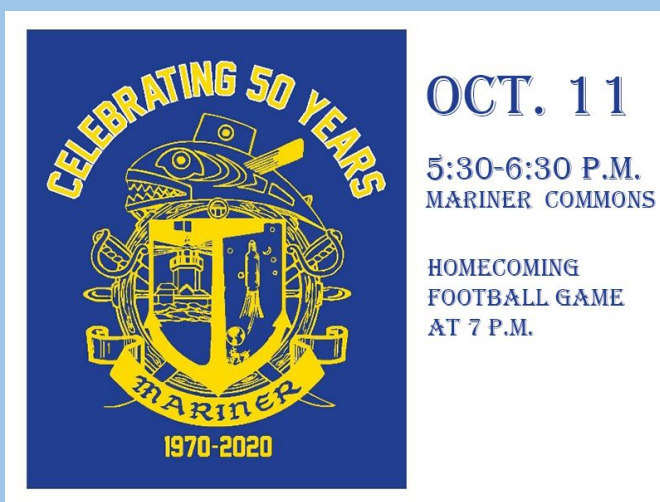

Nate DuChesne - Principal

ASB Leadership News

The Leadership program at Mariner is centered around serving our community, both inside and outside of the MHS walls. To kick off the year we held a Back to School Assembly to welcome our new class of 2023! Our Fall Recognition Assembly was held on September 20th where we celebrated the many accomplishments of the students in the Marauder family. After the assembly we hosted a joint-tailgate with Kamiak HS to celebrate our cross-town football game. The 51-6 victory made the night that much sweeter! Leadership students are now serving on committees to plan the events of Homecoming and Harvest Fest. Our annual Harvest Fest Event is a place to bring your K-5 students to trick-or-treat and play games in a safe environment. The event is hosted by Mariner students who are happy to serve! October is a busy month, but we are proud of our ability to work together and spread Marauder Spirit!

Counseling News

Greeting from the counseling department! We are happy to be back at school, working with your students! Given our high student enrollment, our alphabet break-down by counselor has changed. Please verify who your student will be working with this year:

- o *Sockheng Centeno*- Students with last names A-Da
- o *Catherine Jeffcoat*- Students with last names Db-Ja
- o *Jieun Townsend*- Students with last names Jb-Mi
- o *Luisa Wilson*- Students with last names Mj-Rt
- o *Sandie Vea*- Students with last names Ru-Z

Now that student-initiated changes to schedules have subsided, counselors have been working with Seniors on their graduation plan. We will be sending Senior letters out to families in October, notifying you of the graduation status and other requirements your student might still need to complete by June 2020.
