

# **Mukilteo School District**

## **District Goals 2013 – 2016**

Adopted by the Board of Directors on March 25, 2013

### **Student Achievement**

#### **Ensure success for every student**

- Recruit and retain highly effective staff
- Provide professional development to enhance staff effectiveness
- Ensure that each student has equitable access to effective instruction and rigorous standards-based curriculum
- Use standards-based assessments to make on-going modifications in teaching and learning
- Prepare students for success in college and careers

### **Learning Environment**

#### **Provide a safe, positive, supportive learning environment**

- Ensure a culture that is welcoming, respectful and safe for students, family and staff
- Foster an environment that facilitates collaboration and engagement
- Maintain classroom expectations that enhance learning

### **Parent and Community Involvement**

#### **Engage stakeholders in a shared commitment for student success**

- Facilitate effective communication systems for students, staff, parents and community
- Promote a climate of mutual support and respect for diversity
- Partner with families and community to improve student learning and academic success
- Continue to maintain public confidence

### **Support Services**

#### **Enhance the learning environment**

- Provide efficient and cost effective support services
- Align resources, programs and departments to support District mission and goals
- Promote effective communication between departments and schools in planning and providing services
