2022-27 District Goals

Goal 1: Students learn, grow and thrive

Priority Strategies
1A. Build school and classroom communities where students are acknowledged and valued, feel safe, and know they belong.
1B. Build intentional partnerships with students, families and community.
1C. Create supportive environments and learning experiences for each student by strengthening social and emotional learning.

Goal 2: Students achieve academic success

Priority Strategies
2A. Provide high-quality instruction and support focused on students’ needs.
2B. Align and integrate curriculum, assessments, instructional tools, and supports.
2C. Provide comprehensive professional learning for instructional staff informed by student data, evidence-based best practices, and staff learning needs.

Goal 3: Collective responsibility for student success

Priority Strategies
3A. Recruit and retain high-quality staff with diverse experiences and backgrounds.
3B. Prepare employees for current responsibilities and outline professional growth pathway options.
3C. Create a culture of belonging where all staff feel appreciated.

Goal 4: Organizational effectiveness

Priority Strategies
4A. Increase operational efficiency across departments.
4B. Build relationships by engaging with our communities through meaningful communication.
