

Mariner High School Technology Support Tip Sheet

For All Things Technology!

Desktop Computer Log in and Qmlativ Access

When you first log into your computer, your login will be your student ID number and your password will be Pwmmddyyyy. (After the Pw it is your birthday. Log in example: Pw09042015).

You will be prompted to change your password from here.

Logging into the computer requires a password that has the following criteria:

- 10 characters in length as a minimum
- Must contain uppercase letters
- Must contain lowercase letters
- Must have a number OR a character
- Cannot be your name or a proper noun

Examples: Skateboard24 Football14 Passwordsare\$illy9 Reader4ever #Computersrfun

Should you get locked out of your computer, or Qmlativ, please contact your classroom teacher or the library staff to assist you.

You are able to access the Library Catalog and Qmlativ remotely from your home computer. You are able to access your computer files if you have saved your documents into your Google Drive or Office 365 One Drive.

Passwords for Online Research Tools

Our school district and library has invested in some quality research tools that you can access from home. From the Mukilteo School District Student Page: <https://www.mukilteoschools.org/Page/253> click on "Research Tools" in the upper left hand corner in the blue box and you can access the following resources:

World Book Online

The World Book Website offers an encyclopedia, dictionary, atlas, and homework help.

Username: mukilteo Password: student

EBSCO

This database offers a broad range of full text and bibliographic databases designed for research as well as eBooks.

There is also an on-line app for this database as well to download to your phone.

Username: Mariner Password: learn1!

Gale One File Collections of Tools

We are adding a huge suite of “One File” tools that will help with your research through multiple subject areas.

Username: if you go through the link on Mrs. Wilson’s Library Page: mariner

Username: if you go through the Mukilteo School District Research Page: mukilteo

Gale Opposing Viewpoints & Science in Context

This rich informational portal provides Pro/Con viewpoint essays, topic overviews, primary source documents, biographies, court case overviews, periodical articles, statistical tables, charts and graphs, images, podcasts, and videos. You can search with this as a stand-alone library or dynamically with Gale Virtual Reference Library. Science in Context will enhance your Science research with current articles in field where you need academic support.

Username: mariner

Gale Virtual Reference Library

This Reference Library gives access to e-book that our library has purchased. You can also view these books through the Destiny Library Catalog. You can search with this as a stand-alone library or dynamically with Gale Opposing Viewpoints.

Username: mariner

There is an on-line app for Gale Cengage products to download to your phone.

Nystrom Atlas (Access through Mariner Library Home Page)

This atlas program gives you access to outline maps, reference maps, thematic maps, graphs, photo tours, and more!

Username: student Password: mariner

Mariner High School Library Catalog (Access through Mariner Library Home Page)

You are able to access the Destiny Library Catalog for books and e-books. You can check and manage your library books, textbooks, English Novels, and place holds on books. In addition, Mrs. Wilson has embedded a bevy of resources to help you out in finding a just right book for you or to provide helpful research information. There are also on-line apps that you can download to access the Destiny Library Catalog and be able to read on-line books to your phone.

Additional Technology Tidbits

Outlook and Schoology

You have the ability to email through Outlook and message in Schoology. You might want to make a habit to check your Outlook and Schoology frequently, so you do not miss key events and deadlines.

Paper Cut

You have the ability to print 60 pages per month from your school computer. Please print wisely. If your computer is not printing, then chances are that you are out of copies. You can log onto Paper Cut to check the availability of your account using your computer log in and password. Contact the library staff if you are in a sticky wicket.

Sno-Isle Library Card

It is highly recommended that you get your own Sno-Isle Library Card. The on-line resources for database and research are a gold mine for you! In addition, you can also download a bevy of resources as well as placing books on hold to pick up at the Sno-Isle Library Mariner Branch. See library staff for an application. This service is free!

On-Line Citations

It is highly recommended that you use **NoodleTools** to keep track of your on-line citations and giving credit to your sources. You can access this fine tool through your Google Drive.

Safari Montage

Safari Montage is a great way to look at a wide variety of multi-media for a specific subject area. You can log onto this with your computer log in username and password to access this program from school or home.

Twitter and Instagram

Follow Mrs. Wilson on Twitter for the latest information on the Mariner High School Library, overdue reminders, information about books, authors, websites, research information, and fun that could be helpful to you.

Twitter Handle: @marinerlibrary

Instagram: mhsmarinerlibrary

Cell Phones/Headphones

In the library, cell phones are used for academic purpose only with the exception of listening to music. We ask that you unplug your headphones or pods when instruction is happening, so you do not miss important learning.

Google Docs and Microsoft Office 365

Yep! We have Google Docs as well as Microsoft Office 365. You have access to them from your student account and can access them from home. Yahoo!

Be Wise

Please use good judgment when using our school computers. Surf safely and make sure that your work is school related in honoring School District Policy. Please be mindful that we have a way of figuring out everywhere you have been on the Internet. Have fun!
