

General Safe Walking Tips

- Whenever possible, walk with other children or an adult to school
- Cross at intersections or marked crosswalks whenever possible
- Look both ways for cars before crossing the roadway
- Cross with a stoplight or crosswalk if possible
- When crossing with an adult crossing guard always follow their directions
- Be aware of being “visible” to cars – Remember, they may not see you
- Walk with purpose straight to school and straight home – do not stop
- Always walk on the sidewalks when available
- When sidewalks are not available walk off the roadway on wide shoulders, or paths
- If you need to step off the sidewalk, path or need to walk on a section of the roadway, carefully look both ways for cars
- Do not play as you walk home
- Never enter the street without looking both ways and making sure that you have enough time to cross safely
