Thanks to all of you who supported our Fall Scholastic Book fair! It was a great success and many students started their year with great books to read. Thanks

PTO!

Explorer's Eagle Book Club
2016/2017 Selections

THE EAGLE BOOK CLUB

The purpose of the EBC is reading advocacy. I create a list each year of old, current, and new titles for students to choose from.

I include different genres as well as a wide reading range and varied interest. There will be a variety of gifts given throughout the year. Each selection read enters participants in the final drawing for our BIG end of the year gift. This trimester we had 83 participants; 26-8th graders, 24-7th graders and 33 - 6th graders.
Way to go Eagles!

CELEBRATE GRAPHIC NOVELS!

Graphic novels are, simply defined, book-length comics. Sometimes they tell a single, continuous narrative from first page to last; sometimes they are collections of shorter stories or individual comic strips. Comics are sequential visual art, usually with text, that are often told in a series of rectangular panels.² Despite the name, not all comics are funny. Many comics and graphic novels emphasize drama, adventure, character development, striking visuals, politics, or romance over laugh-out-loud comedy.

Here's my pick of the trimester! **March . Book 1** by U. S. Congressman John Lewis . This is book 1 of the trilogy. As you read learn about events from the life of Georgia congressman John Lewis, focusing on his youth in rural Alabama, his meeting with Martin Luther King Jr., and the birth of the Nashville Student Movement.
