1ST TRIMESTER

Eagle Book Club Selections 2018/2019

The purpose of the EBC is reading advocacy. I create a list each year of old, current, and new titles for students to choose from. I include different genres as well as a wide reading range and varied interest. There will be a variety of gifts given throughout the year. Each selection read enters participants in the final drawing for our BIG end of the year gift. This trimester we had 74 participants; 14-8th graders, 18 -7th graders and 42 - 6th graders.

This year the challenge for Explorer students is to read ALL 20 selections!

See the complete list to the right. There was a tie for the most read book this trimester. **Booked** by Kwame Alexander. "Twelve-year-old Nick loves soccer and hates books, but soon learns the power of words as he wrestles with problems at home, stands up to a bully, and tries to impress the girl of his dreams." **Holding up the Universe** by Jennifer Niven. "A boy with face blindness and a girl who struggles with weight fall in love." Way to read Eagles!
